

Clinical Nurse Specialist (CNS)
Palomar Pomerado Health

Serving San Diego's inland North County communities for more than 50 years, PPH is a family of outstanding healthcare facilities that cover an area of more than 800-square miles. As the largest hospital district in Southern California, we are also one of the most diverse. From our state-of-the-art Cardiac Care and Rehabilitation Facilities and a busy Trauma center to Home Healthcare, we deliver a full spectrum of health services to meet the needs of every member in our community.

We promote a philosophy that encourages growth and satisfaction. We provide a work environment that is open and empowering, where you can experience a wide range of clinical, educational, and management opportunities. And we support a healthy balance between your personal and professional lives.

PPH is seeking innovative, systems-oriented Clinical Nurse Specialists to join our team. In addition to being a clinical expert and mentor for our staff, you will work with an interdisciplinary team in the care of patients at PPH and in the community. You will be instrumental in promoting evidence-based practice, scholarly inquiry and research. You will also serve as adjunct faculty in affiliating schools of nursing. We invite you to join us in meeting our nursing vision to be nationally recognized for setting the standard of nursing excellence in practice, education, research, and leadership. MSN, current CA RN and CNS license required. 3 years of acute hospital experience, and excellent human relations and public speaking skills required. CNS and teaching experience preferred.

Palomar Pomerado Health offers Excellent Benefits which include: Medical Insurance, Vision plan, Dental Insurance, Paid Time Off, Life Insurance, Flexible spending accounts, Retirement Plans.

We invite you to join us in our Mission to Heal, Comfort, and Promote Health in the Communities We Serve!
